Dear Ms. Moist and Ms. Boissonneault:

I am pleased to once again proclaim the week of October 5 to 9, 2015, as Health Care Support Workers' Week.

Health care support workers provide critical services to the citizens of Manitoba in hospitals, personal care homes, clinics and community services. Their significant contributions to health care in our province are commendable.

I wish you every success with the events you have planned to celebrate Health Care Support Workers' Week.

Sincerely,
