

SPRING INTO ACTION FOR CHILD CARE!

Rally at the Legislative Building

May 13th, 2015 at noon

Join us in a rally to make child care a priority this federal election! Bring your picnic lunch and join Canadians across the country participating in activities during the week of action for child care.

Child care is good for the economy, good for families, good for Canada. Vote child care to give every parent the opportunity to contribute to the workforce, which puts money back into the pockets of Canadian families, and strengthens the economy.

For more information, please email maureenmorrison6@gmail.com or visit votechildcare.ca and on twitter **#votechildcare2015**
