Manitoba 26th Annual CUPE Winter School

Who Can Attend?

Due to COVID concerns, including physical distancing and limits to mass gatherings, workshop sizes will be limited. This School is exclusive to Manitoba Locals only, and if there is space available after February 1st, then we may consider registrations from out of Province.

Since the operation of this Winter School is contingent on COVID and where we are at in February 2021, the School is subject to cancellation. We will try to give as much possible notice if we have to cancel, and if Winter School 2021 is cancelled, your registration fees shall be fully refunded.

To provide the best learning environment, the Education Rep reserves the right to cancel any course if the registrations are low, or transfer participants to their second choice. The Education Rep also reserves the right to limit the number of members any one Local may send to any workshop and may assign participants to their second choice of workshop.

Scent-Free Policy:

In response to the health concerns of our members and staff, CUPE has implemented a Scent-Free Policy at all of our workshops. Scented products such as hair spray, perfume, and deodorant can trigger reactions such as respiratory distress and headaches. Facilitators and participants are asked to refrain from using scented products while attending our workshops and meetings. Thank you for your co-operation.

Code of Conduct:

All participants are advised that a high standard of trade union behaviour is expected of them. All forms of harassment are unacceptable. The CUPE Education Rep will deal with incidents fairly and reserves the right to send participants home for inappropriate behaviour or non-attendance at classes. Locals will be advised, should this occur.

 - analyzes their contract and identifies gaps;
 - learns about the Collective Agreement Information System (CAIS) and the importance of using clear language

At the Bargaining Table

- This workshop gives bargaining committee members the training they need, when they need it, so they can get the best deal possible for their members. It is delivered by the national servicing rep and happens in stages throughout negotiations. The workshop explores how to work effectively in caucus, as well as at the bargaining table.

Please bring a copy of your Collective Agreement
