

Solidarity Night

The Confederation for Unity, Recognition and Advancement of Government Employees (COURAGE) is the largest labour confederation in the Philippines with over 200,000 members and they are at the forefront of the Philippine public sector worker's struggle for decent wages, humane working conditions and full union rights. They are currently campaigning to expose, oppose and fight against corruption.

CUPE Manitoba has partnered with CUPE Local 4600 (University of Charleton) and the Ontario Committee for Human Rights in the Philippines (OCHRP) as a sponsor of the CUPE Global Justice Project, titled "Defending Human Rights in the Philippines: A Continuing Worker to Worker Solidarity Project". A CUPE led delegation went to the Philippines in July 2013 on an International Fact Finding Mission (IFFM) entitled "Against the Killings and Repression of Public Sector Workers in the Philippines".

Please join us in an evening to show our SOLIDARITY in this fight to expose and oppose the human and trade union rights violations taking place in the Philippines today.
