2023 Convention Safer Spaces

To ensure safer & more inclusive Spaces at the 2023 CUPE Manitoba Convention, please reference Article 15 - Code of Conduct (2022 Bylaws & Policies):

"CUPE Manitoba is committed to creating a union which is inclusive, welcoming, and free from harassment, discrimination and all types of bullying and intimidation. CUPE Manitoba needs to ensure that we provide a safe environment for members, staff, and elected officers to carry out our work. CUPE Manitoba's expectation is that mutual respect, understanding and cooperation will be the basis of all our interactions."

The Code of Conduct sets out standards of behaviour for participants at Manitoba Conferences and can be found in Article 15 in the 2022 Bylaws & Policies on www.cupe.mb.ca.

The CUPE Manitoba Safer Spaces Committee & CUPE Manitoba Executive encourages all Delegates, participants, and guests to please familiarize themselves with both the Code of Conduct and the CUPE Equality Statement.

The strategy is being developed with the Safer Spaces Committee and will be presented in the 2nd Call.

2023 Convention Information

Bottled Water Ban:

Delegates to the 2011 CUPE Manitoba Convention passed two resolutions regarding bottled water:

CUPE Manitoba will:

- Continue to support the ban of bottled water from all CUPE events; and
- Support the call on other Unions and Organizations to ban bottled water; and
- Refrain from purchasing and/or using bottled water when clean tap water is readily available.

The 2023 CUPE Manitoba Convention will be served public water at the Keystone Centre, with great thanks to the First Peoples in Treaty 2 and the Assiniboine River that CUPE 69 members process for consumption in Brandon – Treaty 2.

Scent Free Convention:

Delegates to the CUPE Manitoba Convention in 2008 passed a resolution calling for all conferences, conventions, and events to be scent-free. Increasingly, workers are becoming sensitized to chemicals in the environment. For many workers, attending events and being exposed to perfumes/colognes/body sprays can be a serious health risk.

Delegates and guests are asked to please not wear any scented products during the Convention as well at Convention activities. Thank you for contributing to creating a safer and more inclusive event for everyone!

Convention Safety:

To ensure the safety of all those attending and working at the 2023 CUPE Manitoba Convention, CUPE Manitoba will monitor and develop a COVID-19 strategy for Convention in accordance with the most current public health recommendations. The strategy will be reviewed closer to Convention and presented in the 2nd Call.

As Public Health information regarding the COVID-19 pandemic is updated, information for delegates will be made available at www.cupe.mb.ca. If any information changes between 2nd Call and the start of Convention, information will be provided by E-mail to all registered Delegates and guests.

Jack Rodie Award

Who is Jack Rodie?

Brother Jack Rodie was a long-standing activist and member of CUPE 500, City of Winnipeg. He had a long history of union activism that spanned over 45 years.

Brother Rodie began his career in the trades in the early 1940's and then began working in the Greater Winnipeg Water District and was active in advancing the Union. In 1951, Brother Rodie alongside fellow workers, joined with other City of Winnipeg workers, known as the Federation of Civic Employees.

When the Union of Public Service Employees (NUPSE) merged with the National Union of Public Employees (NUPE), the Canadian Union of Public Employees (CUPE) was formed in 1963. It was at this time that Brother Rodie was elected President of the Manitoba Division, where he remained in office until 1981, making him the longest serving Division President in our province's history. Brother Rodie served as Regional Vice-President representing Manitoba on the National Executive Board until 1985 and was a long-time member of the Manitoba Federation of Labour (MFL) Executive Committee.

After Brother Rodie's retirement, CUPE Manitoba created the Jack Rodie Award, and it is presented at each annual CUPE Manitoba Convention to a rank-and-file member who has displayed long-standing commitment to the union movement. The Award recognizes the important work our members do daily, and to celebrate those who have made a positive impact within CUPE in Manitoba.

Resolution Guidelines

What Guidelines Should Be Followed When Writing Resolutions?

- Address only one main issue per resolution
- Be specific about the action you would like to see taken to address your issue of concern
- Use sentences that are short and clear, and words that are easy to understand
- Give your resolution a short title

What Format Should Be Used in Writing Resolutions?

CUPE Manitoba accepts resolutions in two formats: traditional and clear language.

The traditional resolution format provides background to the issue in sentences beginning with WHEREAS, and then outlines the recommended action(s) to be taken starting with THEREFORE, BE IT RESOLVED.

The clear language format flips the order above, putting the recommended action before outlining the rationale.

How Should Bylaw Amendments Be Submitted?

Bylaw amendments can be submitted in either the traditional or clear language format. They do not require the inclusion of “WHEREAS” or “BECAUSE” statements, but they must refer to the specific Article and Section of the 2022 CUPE Manitoba Bylaws & Policies to be amended.

A copy of the 2022 Bylaws & Policies can be found by [clicking here](https://cupe.mb.ca/about-us/policies-and-constitution/) or visiting <https://cupe.mb.ca/about-us/policies-and-constitution/>.
