## Greening Manitoba's Convention

---

CUPE has been responding to the climate crisis for years. As the crisis grows more intense, it is time to strengthen our position.

While all of humanity is confronted with climate change, not everyone contributes equally to the problem and not everyone is at equal risk. Societal inequality can make climate change impacts worse on some people and some regions of the world.

Part of CUPE's role environmentally is to push back against the economic and political forces responsible for the current environmental crisis. At the same time, we all inhabit the same planet, and all have a duty to be better environmental citizens.

## Green Notes for Convention 2025:

Everyone attending Convention is encouraged to:

### Carpooling is a **greener** option!

# 2025 Convention Safer Spaces

---

To ensure we are creating safer & more inclusive Spaces at the 2025 CUPE Manitoba Convention, please reference Article 15 - Code of Conduct (2024 Bylaws):

"CUPE Manitoba is committed to creating a union which is inclusive, welcoming, and free from harassment, discrimination and all types of bullying and intimidation. CUPE Manitoba needs to ensure that we provide a safe environment for members, staff, and elected officers to carry out our work. CUPE Manitoba's expectation is that mutual respect, understanding and cooperation will be the basis of all our interactions."

The Code of Conduct sets out standards of behaviour for participants at Manitoba Conferences & Conventions and can be found in Article 15 in the 2023 Bylaws on [www.cupe.mb.ca](http://www.cupe.mb.ca).

The CUPE Manitoba Safer Spaces Committee & CUPE Manitoba Executive encourages all Delegates, Participants, and Guests to please familiarize themselves with both the Code of Conduct and the CUPE Equality Statement and join the efforts to ensure all activities on/offsite of Convention are safer.

The CUPE Manitoba Safer Spaces Committee is contributing to this year's Convention in new ways! The Committee is developing the Solidarity Trivia group game taking place on May 13<sup>th</sup>. See the poster on page 24 for more information.

The Committee will also be putting together resources and materials for the Convention floor and building in new ways of engaging delegates in inclusive spaces initiatives.

This Convention, the Safer Spaces room will be designated as a quiet space for delegates during Convention business hours and will be used by Equity & Area Caucuses during noted agenda block times.

# 2025 Convention Information

---

## Bottled Water Ban:

Delegates to the 2011 CUPE Manitoba Convention passed two resolutions regarding bottled water:

CUPE Manitoba will:

- Continue to support the ban of bottled water from all CUPE events; and
- Support the call on other Unions and Organizations to ban bottled water; and
- Refrain from purchasing and/or using bottled water when clean tap water is readily available.

The 2025 CUPE Manitoba Convention will be served public water at the Keystone Centre, with great thanks to the First Peoples in Treaty 2 and the Assiniboine River that CUPE Local 69 members process for consumption in Brandon.

---

## Scent Free Convention:

Delegates to the CUPE Manitoba Convention in 2008 passed a resolution calling for all conferences, conventions, and events to be scent-free. Increasingly, workers are becoming sensitized to chemicals in the environment. For many workers, attending events and being exposed to perfumes/colognes/body sprays can be a serious health risk.

Delegates and guests are asked to please not wear any scented products during the Convention as well at Convention activities. Thank you for contributing to creating a safer and more inclusive event for everyone!

---

## Convention Safety:

To ensure the safety of all those attending and working at the 2025 CUPE Manitoba Convention, CUPE Manitoba will commit to monitoring for a COVID-19 strategy for Convention (if needed) in accordance with the most current public health recommendations.

If Public Health information regarding COVID-19 is updated, information for registered delegates and guests will be emailed and made available at [www.cupe.mb.ca](http://www.cupe.mb.ca).

# Jack Rodie Award

---

## Who is Jack Rodie?

Brother Jack Rodie was a long-standing activist and member of CUPE 500, City of Winnipeg. He had a long history of union activism that spanned over 45 years.

Brother Rodie began his career in the trades in the early 1940's and then began working in the Greater Winnipeg Water District and was active in advancing the Union. In 1951, Brother Rodie alongside fellow workers, joined with other City of Winnipeg workers, known as the Federation of Civic Employees.

When the Union of Public Service Employees (NUPSE) merged with the National Union of Public Employees (NUPE), the Canadian Union of Public Employees (CUPE) was formed in 1963. It was at this time that Brother Rodie was elected President of the Manitoba Division, where he remained in office until 1981, making him the longest serving Division President in our province's history. Brother Rodie served as Regional Vice-President representing Manitoba on the National Executive Board until 1985 and was a long-time member of the Manitoba Federation of Labour (MFL) Executive Committee.

After Brother Rodie's retirement, CUPE Manitoba created the Jack Rodie Award, and it is presented at each annual CUPE Manitoba Convention to a rank-and-file member who has displayed long-standing commitment to the union movement. The Award recognizes the important work our members do daily, and to celebrate those who have made a positive impact within CUPE in Manitoba.

## Award Criteria

The Jack Rodie Award has been created so that it can be presented to a CUPE member who has displayed a long-standing commitment to the union movement.

Criteria:

- The nominee must be a CUPE member from a Local affiliated to CUPE Manitoba
- The nomination must come from an affiliated Local or member of an affiliated Local of CUPE Manitoba
- Nominees should be members who have displayed a long-term commitment to union activism, and have fostered a positive image amongst the membership in both the Local and community

# Resolution Guidelines

---

## **What Guidelines Should Be Followed When Writing Resolutions?**

- Address only one main issue per resolution
- Be specific about the action you would like to see taken to address your issue of concern
- Use sentences that are short and clear, and words that are easy to understand
- Give your resolution a short title

## **What Format Should Be Used in Writing Resolutions?**

CUPE Manitoba accepts resolutions in two formats: traditional and clear language.

The traditional resolution format provides background to the issue in sentences beginning with WHEREAS and then outlines the recommended action(s) to be taken starting with THEREFORE, BE IT RESOLVED.

The clear language format flips the order above, putting the recommended action before outlining the rationale.

## **How Should Bylaw Amendments Be Submitted?**

Bylaw amendments can be submitted in either the traditional or clear language format. They do not require the inclusion of “WHEREAS” or “BECAUSE” statements, but they must refer to the specific Article and Section of the CUPE Manitoba Bylaws & Policies to be amended.

A copy of the Bylaws can be found here:

<https://cupe.mb.ca/about-us/bylaws-and-policies/>

# CUPE Manitoba & the Winnipeg Labour Council

## Period Power

Period poverty is a harsh reality faced by too many workers in our city. **Over 22% of people who menstruate have missed work because they couldn't afford menstrual products.** Access to menstrual products is critical to a quality education, good mental health, and the wellbeing of our communities.

## Winnipeg Labour Council & United Way Winnipeg

We are looking to collect 60,000 menstrual products for United Way Winnipeg's 60th anniversary, a partnership Labour founded in 1965. We are asking Unions to help us reach our goal by collecting menstrual products and donations, sharing with Locals and Workers and working with workplaces to set up collection drives!

## How Can You Get Involved?

We are once again holding our Period Power Campaign during the month of May, a shared initiative between Labour and United Way Winnipeg.

This campaign is to raise awareness around menstrual health and period poverty, a reality many students, workers and community members in Manitoba face. Over 22% of people who menstruate have missed work because they couldn't afford menstrual products. Together as unions, we can help put an end to period poverty.

This year is United Way Winnipeg's 60th anniversary. It's been 60 years since Labour came together with the community to create United Way in 1965. To celebrate and recognize this amazing partnership, we are looking to collect 60,000 products for the 60th anniversary.

# Period Power Collection Drive @ Convention

## PERIOD POWER

Fighting period poverty.

### Period Products Collection Drive

**PADS • TAMPONS • CUPS • ETC**

People living in poverty face a tough time getting monthly menstrual supplies. For people experiencing homelessness, it's even harder. We're collecting menstrual products so no one has to go through period poverty.

**Drop off your donation at The CUPE MB Community Village, May 12-15<sup>th</sup>.**

## How Can You Get Involved?

CUPE Manitoba is calling on CUPE Locals to join us in collecting menstrual products for Manitobans who need them!

We are contributing to the goal of collecting 60,000 products for the 60th anniversary of United Way & Labour!

We hope you will join us by bringing supplies to be donated in the Community Village!
